## THEATRE

---

Cosmos Theatre offers a unique service by blending its extraordinary atmosphere, where digital and visual arts converge, with original concepts.

The venue is covered in silver-colored acoustic fabric (POND5) that conceals the sound systems while preserving both visual and auditory quality.

With a total mapping area of 1200 m<sup>2</sup>, the space allows for 270° visual mapping across 32 projectors, enabling transformation into any desired setup.

Providing an interactive live show experience, Cosmos Theatre is designed to meet all your needs for conferences, meetings, concerts, galas, launches, and special events, thanks to its architecture, interior design, cutting-edge sound system, and 3D projections. In the later hours, the venue operates as a nightclub under 'The Sir' concept, hosting impressive performances by internationally renowned DJs and famous artists.

The next-generation Cosmos Theatre offers a quality-focused experience with its ability to transform into a traditional theater, an extraordinary atmosphere where digital and visual arts intersect, VIP lounges, and state-of-the-art technology.
