CROSSROADS Maldives is the most comprehensive and ambitious integrated leisure and entertainment development undertaken in the Maldives. It aspires to forever change the fundamental concept of the region as a honeymoon and couples' holiday destination. This expansive project is developed by the renowned Thailand-based Singha Estates Public Company Limited; a world-leading, premier lifestyle developer and holding company that creates quality settings for people to live, play, work and shop while delivering sustainable growth and creating value for all stakeholders. The company is committed to building businesses with long-term growth potential through corporate governance based on care for communities, society and the environment. Singha Estates has a well-earned reputation for trustworthiness and quality leadership. It is committed to enhancing the natural beauty of the Maldives while working to maintain and preserve the precious ecosystems through a number of comprehensive sustainability initiatives.

CROSSROADS Maldives comprises an extraordinary nine-island, cohesive project located eight kilometres from Malé City. Centred around a luxury marina developed in collaboration with Jalboot Holdings LLC., it has attracted an incredible array of big name investors and franchises to provide leisure, hospitality and retail experiences on a pioneering scale. Internationally acclaimed designers have realised this dream by incorporating both Eastern and Western nuances into the development plans, creating a truly unique and extraordinary experience that transcends the traditional notion of a holiday.

S Hotels & Resorts, a flagship hospitality arm of Singha Estate Public Company Limited, is a new era Thai-inspired personalised hospitality company that caters to upscale travellers with an independent spirit. The group offers guests a portfolio of 39 properties in 5 countries with a total of 4,647 keys and provides guests with the opportunity to experience the best destinations from a unique perspective while enjoying world-class facilities and tailored services. S Hotels & Resorts' properties are located in attractive, unspoiled locales, providing an exclusive playground built around nature, culture, wellness and adventure, with luxurious amenities and fine cuisine. Each property boasts its own distinctive design, inspired by the destination and unique signatures while also providing consistency reinforced by a well-defined brand philosophy and a service culture that focuses on exceptional guest experiences backed up by Thai-inspired hospitality and global quality standards.

CROSSROADS Heritage...

Where Cultures Meet

The CROSSROADS concept is inspired by the unique history and identity of the Maldives as the crossroads of the world. A singular location where traders, explorers and settlers from every corner of the globe have historically come together – a place *Where Cultures Meet*. Maldives history dates back to 2,000 BC when it was famed for its strategic location and merited status as a crucial trading junction for ancient civilisations; the Egyptian, Roman and Mesopotamian sailors and traders using it as a commercial centre and pivotal hub. Crafted from tales of the past and designed to inspire the present, CROSSROADS Maldives is the next chapter in the story of one of the world's most extraordinary destinations.

CROSSROADS corporate brand essence is built upon this fascinating heritage of a global meeting place. This concept is brought to life and evolves by uniting the diverse and vibrant elements of international culture in the form of oceanfront resorts, innovative dining, international retail boutiques and endless entertainment venues into one fully-integrated lifestyle destination. The archipelago's only nine island one-stop, non-stop lifestyle destination that invites adventurous travellers to a place where there is *360° of Happenings*.

Introducing CROSSROADS...

The Maldives Riviera

CROSSROADS is redefining the Maldives as a world-class lifestyle, leisure and entertainment destination. Located just a 15-minute speedboat ride from Velana International Airport and the Maldives capital of Malé, airport transfers and daytrips are straight forward and quick, aiming to capture the leisure travellers, family markets and MICE. This extraordinary multi-island project is set amongst the breathtakingly exotic South Malé Atoll and Emboodhoo Lagoon.

The Maldives Riviera, the signature tagline, captures the spirit of CROSSROADS as an integrated lifestyle waterfront hub. It alludes to a scenic beachfront town offering upscale and casual dining, fashion retail and innate natural beauty, evoking feelings of inherent uniqueness, energy and style.

The initial phase of CROSSROADS comprises two stylish resorts; SAii Lagoon Maldives, Curio Collection by Hilton a tropical and vibrant retreat, and the iconic Hard Rock Hotel Maldives and The Marina @ CROSSROADS where you can encounter an array of leisure amenities. CROSSROADS is a seamlessly integrated myriad of experiences; shop, dine, spa, stay, sail and discover, it is a coming together of the extraordinary, a unique, stylish destination, The Maldives Riviera.

Inspired by a Harmonious Existence

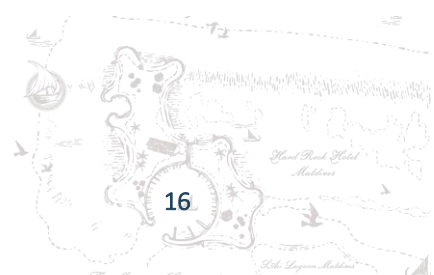

Marine Discovery Centre

The CROSSROADS project is dedicated to preserving and enhancing the Maldives' unique marine ecosystem, and this commitment is encapsulated at our extraordinary Marine Discovery Centre, spanning 300 square metres. Here guests can explore an immersive conservation experience and discover the phenomenal beauty of our marine wildlife. The Marine Discovery Centre is a pioneering project that is spearheading cutting edge coral propagation projects and aims to educate visitors about conservation issues. It features a marine biology laboratory, coral propagation, a clownfish release programme, and interactive activities such as tuna discovery scuba diving, snorkelling, coral nursery exploration and marine conservation courses such as the Junior Marine Curator and Reef Guardian Maldives.

Maldives Discovery Centre

The Maldives have long been the crossroads of the world, where cultures meet, and where explorers, traders and pioneers from a myriad of different cultures have weighed anchor and helped to define the extraordinary culture and heritage of the islands. This unique attraction space, covering 500 square metres, uses stunning designs and interactive displays to explore the Maldives rich history, marine biodiversity and how local arts and crafts have shaped the islands' unique cultural identity. This unforgettable educational experience works closely with the local community to promote their way of life and showcase the handicrafts of this remarkable island nation.

Koimala & Maalimi's Junior Beach Club and Camp

The Koimala & Maalimi's Junior Beach Club and Camp is an exciting, energetic hub of activity. An imaginative centre designed to be an innovative edutainment concept that encourages children aged 4-15 to embrace their spirit of creativity in an engaging and dynamic environment. Aspects of Maldives culture are present throughout and provide a stimulating and charming backdrop to a wide variety of fun and educational activities. The primary ethos focuses on two characters from Maldivian folklore: Koimala, the wise turtle prince, and Maalimi, the mythical black marlin, the fastest fish in the ocean. These characters' stories are rich and colourful and serve to interest children in the local wildlife and culture.

The facility is spread over three outdoor and three indoor areas, including a family room where adults and guardians are welcome to join the fun. An activity room and a playroom are kids only zones, fostering a sense of children having their own space to create and grow. Outside, a beautiful, private beach provides a wonderful location for a variety of games and activities, as does a dedicated area to get back to nature and camp under the stars. The club's eclectic combination of water-based attractions includes the dynamic, zero-depth Splashpad®, an aquatic play area that provides hours of fun for the entire family, as well as specially designed games to offer young fun-seekers a choice of safe and inspiring learning.

An extraordinary on-site education centre engages children in topics surrounding sustainability and conservational awareness and integrates playful activities and stories into the learning experience to help foster a respect for the environment. Children are encouraged to be creative, and immerse themselves into the local culture and wildlife as much as possible, through an incredible range of activities such as craft classes that use only recycled materials, tours of the Maldives Discovery Centre and Marine Discovery Centre, visits to local islands, and lessons on coral conservation and propagation.

All our staff are highly trained and accredited and come from a wide variety of cultural backgrounds and languages. The team are wholly absorbed into the club environment and activities and have all the energy and enthusiasm necessary to make it an unforgettable experience for all our younger visitors.
